CONCEPCIÓN

A scenic view of a highway in Chile. The road is asphalt with white dashed lines, curving slightly to the right. On the left, there's a metal guardrail and a green embankment. On the right, there's a concrete barrier and a steep embankment with dry grass. The background features a range of mountains with snow-capped peaks under a blue sky with white clouds. In the distance, there are some buildings and trees. Power lines run along the right side of the road.
